

RETAINED MARGIN

- Clipper Contracting retain a margin from the money we receive from your agency (the umbrella assignment rate).
- The margin covers the costs which we incur in providing services to you including bank charges, processing of expenses (where applicable), public liability insurance, personal accident insurance and text messaging services amongst others.
- We will only retain one margin per tax week, irrespective of the number of agencies you work for, number of timesheets and whether we receive payments weekly, fortnightly or monthly
- Clipper Contracting may from time to time offer margin free weeks or reduced margins. You will be informed at the time. There are no refunds or rebates available in respect of Clipper Contracting's margin

Our standard margins are as follows (but may vary between agencies):

Clipper PAYE – Retained Margin – £13.50
Clipper Total – Retained Margin – £24.95
Clipper CIS – Retained Margin – £22.50
